In January 2012 the Palais Liechtenstein GmbH was launched as the new umbrella brand for the Liechtenstein GARDEN PALACE and the Liechtenstein CITY PALACE. Both palaces have been deeply rooted in Vienna's history for over 300 years. The GARDEN PALACE in the ninth district of Vienna has already become a favourite locale for distinctive event planning, film- and photo-shoots. Since April 2013 the Liechtenstein CITY PALACE, situated at the heart of Vienna near the Burgtheater and the Volksgarten, provides additional impressive event venues.
